

Seattle Sponsorship Prospectus

Serverless is a buzzword with obvious deficits. For some it points to the future of software development in a post cloud world, and for others it evokes memories of vendor marketeers playing buzzword bingo.

ServerlessDays is a **community focused, single track, one day** event that moves away from the hype and focuses on the reality of serverless based solutions. It's about fostering a community locally and helping all of us learn from each other as we embrace a new way of building applications.

The Team

The ServerlessDays Seattle organising team consists of

- Matt Weagle (Director at ShiftLift and Seattle Serverless Meetup Organizer)
- Ed Anderson (DevOps Manager at RealSelf)
- Jeff Hollan (Sr. Program Manager at Microsoft)
- Donna Malayeri (Product and Community Manager at Pulumi)

The organising team are all working on ServerlessDays in their personal capacity, and not as representatives of their employers.

The Conference

Date: 4 October 2018

Venue: McCaw Hall (<https://www.mccawhall.com>)

Expected attendance: 300 people

Attendee Profile

Attendee profile: We expect our attendees to fit into one of two categories.

- Developers who are curious by nature, excited to explore new technologies and ways of doing things. The type of developer we see at serverless events works outside of their comfort zone and is often key to successfully introducing new technologies into an organisation.
- Business stakeholders looking for new solutions to unsolved problems. Technology provides business advantage, we see product managers, program directors, and CTO's attending looking for something that can help drive their business forward.

Sponsorship Opportunities

To make the conference happen we need sponsors. The event is relatively no-frills to keep the budget down, but we still have costs to cover. We have a number of sponsorship opportunities.

Headline Sponsors - \$5,000 (3 available - 2 remaining)

Make the event happen. If you step up and take the headline sponsorship you will get

- Your logo will get prominence on stage, in the venue, on the website, on the t-shirts and you'll get multiple shout outs on stage.
- We're getting a number of roll up banners printed that will be placed throughout the venue. Half the banners will only have the headline sponsors logos on them along with the ServerlessDays logo. The other half of the banners will feature the other sponsor logos in conjunction with yours.
- Bring your own banners. We'll allow you to bring two of your own banners and put them wherever you want in the venue.
- When your logo appears with any other non-headline sponsor logos it will always be at least 50% bigger than the other sponsors logo.
- You will also get 5 tickets, including t-shirts, with your sponsorship.

Silver Sponsor- \$2,500 (1 available)

After the conference there is a drinks reception on the lawns outside the venue. Sponsor the reception and get the chance to engage with the attendees in a relaxed atmosphere

- Logo prominently displayed at the drinks reception
- Acknowledgement on stage
- All the benefits of the community sponsor package.

Community Sponsor - \$1,000 (10 available)

Your company is an active supporter of the community, and are looking to help us in growing the use and knowledge base around serverless platforms. The community sponsor will get

- Logos on signage on stage, in the venue, on the website, on the t-shirts
- Shout outs on stage
- 3 tickets, including t-shirts, with your sponsorship

Become a Sponsor

We'd love to have you as a sponsor!
